UPSCALE PIZZA COPPA

RUNNER-UP • PICCO

At his tiny South End enoteca, chef Jamie Bissonette turns out some of the most magnificent pizza crust around—crunchy, chewy, smoky, and soft all at once. Coppa's "fungo" pizza (\$15) comes crowned with morel mushrooms, roasted tomatoes, and creamy Taleggio; the "cavolfiore" (\$15) features cauliflower, chili flakes, parsley, and Bra Duro cheese. In other words, this sure isn't Uno's.
