Star GETAWAY

Where to stars go to stay...and where they go to play

SPOTLIGHT ON:

Boston!

Star found all the celeb-loved hotspots
for your next trip to Beantown.

WHERE
TO EAT!

COPPA

You know a restaurant's good if **Rachael Ray** eats there! The Italian-style enoteca, located in Boston's South End, serves up authentic small plates created by famed chefs **Ken Oringer** and **Jamie Bissonnette**. The highlight of any meal at Coppa is the wood-fired pizza, perhaps topped with tomato, mozzarella, arugula and prosciutto di Parma (above). *Delizioso!*
